

STAR WORLD CHAMPIONSHIP 2024 TRANSPORTATION

STAR WORLD
CHAMPIONSHIP 2024
SAN DIEGO YACHT CLUB

Please note that pricing is dependent on availability at the time of booking and market conditions as it relates to all other accessorial charges. In the current environment, the mileage charges are approximately \$1.50 USD per mile from Miami to San Diego, or \$4000, which does not include loading or customs charges. These shipping costs vary with fuel costs, the number of stars being shipped and other variables. For a complete list of all current shipping charges, follow the attached link or contact Kai Scharnweber at kai.scharnweber@yahoo.com
